

# Supply List

Mrs. Kindred's 2nd-Grade Class  
2024 - 2025

The Clark County School District provides necessary supplies for students in order to provide them with an optimal educational experience. However, we know that sometimes parents decide to buy some supplies for their children. **This year your child's teacher is asking for a donation of \$30 so teachers can purchase the necessary items your child will need for the entire school year.** This will include a headphones, a wireless mouse, notebooks, tissues, hand wipes, paper towels, pencils, glue, folders, and other supplies needed for the year. Headphones and mice will be kept in a bag that will be provided by the teacher.

If possible, please bring \$30 cash or check, made out to O'Roarke ES, with you to the Meet Your Teacher day in August. Otherwise, you may still send this in with your child during the first week of school.

The only supplies you will need to provide for your student are a backpack and lunchbox (if needed). Your child will need headphones and a wireless mouse to use in the classroom for the entire year. Should the provided items be broken, families will be asked to purchase replacements. Thank you and I am looking forward to meeting all of you.
