

Mrs. Metler's Supply List 2024-2025

The Clark County School District provides necessary supplies for students in order to provide them with an optimal educational experience. However, we know that sometimes parents decide to buy some supplies for their children. If you choose to do this, it would be helpful if you bought any of the following items:

- * \$30 for Scholastic News and class supplies (cash or a check made out to O'Roarke)
- * A one and a half inch white binder with clear view cover
- * Package of top loading sheet protectors (50 count)

The binder and page protectors are for a scrap book that we will be making all about our second grade year.

If possible, please bring these items with you to the Meet Your Teacher day in August. Please place the money in an envelope or baggie with your child's name on the front. Please put your child's name on the inside of his/her binder and open the package of page protectors and put them inside the binder.
