Members offered ideas about incorporating OES PRIDE pledge items as well as updates to current legislation about our district to help keep the community inspired and informed about their children's public education leaders and lawmakers.

4.0 General Discussion

4.1 Grant: No further information is available. Still awaiting the winner announcement set for May 31, 2017. Members discussed reaching out to the grant managers for feedback on what our proposal was lacking, should we not

receive the gift. Members again discussed creating a single-page donation/grant letter than can more easily be submitted when opportunities present themselves.

4.2 Budget: Mr. Barto reported there were no changes to the budget. Members asked if PTO were planning to grant us any special monies for our wishlist. Mr. Barto explained he wasn't sure but assumed they would. PTO is planning a formal meeting May 12th to report end of year race totals and that may help determine what money is to come.
